

The image is a detailed architectural site plan for a sports ground. It features various technical drawings, including building footprints, paths, and landscaping elements. Handwritten annotations in blue and green ink provide additional context. A red line delineates a specific area within the plan.

**Handwritten Annotations:**

- Legend:** Located at the top left, it defines symbols for "Zakres robót obiektu" (Scope of work of the object) and "projektu" (project).
- STAROSTWO POWIATOWE W WOŁOMINIE:** The official name of the voivodeship office, located at ul. Prądzińska 104.
- zaplecze jest poza zakresem zamówienia:** A green note indicating that the service area is outside the scope of the order.
- boisko do piłki nożnej:** A blue note identifying the main football pitch.

**Technical Details:**

- Dimensions:** Various measurements are provided, such as 32.46m for the pitch, 5.00m for a smaller area, and 2.00m for a path.
- Infrastructure:** The plan shows a drainage system (k.A. 600, k.A. 150), a water supply line (w. 110), and a sewer line (ch. 110).
- Building Footprints:** Several buildings are labeled, including "m2" (main building), "m" (smaller structures), and "i" (possibly a gate or entrance).
- Topography:** Elevation points are marked throughout the site, such as 87.06, 87.5, and 87.8.

**Red Boundary:** A red line outlines a large rectangular area, likely representing the main sports field or a specific project zone.
