

Concerns: open procedure for delivery of extended SWIR (InGaAs) camera.

The Contracting Entity on base of art. 284 paragraph 6 and art. 286 of the Act Public Procurement Law of 11 September 2019 (Official Journal of 2019, item 2019, with later changes) transmits the content of queries with clarifications and make change in the Terms of Reference.

Question 1.

Will the Contracting Authority allow for a camera with the following parameters: -

- cooling with a Stirling refrigerator
- spectral range 900-1700nm

Answer:

The spectrum range do not fulfill our requirements

The Contracting Entity make change in the Terms of Reference in:

I. **Chapter XI. Bid validity period:**

After changing paragraph 1 in Chapter XI of the ToR shall read as follows:

1. The Contractor shall be bound by the bid until the **24.11.2022**

II. **Chapter XIII. Manner and date of placing and opening the bids:**

After changing paragraph 1 and 2 in Chapter XIII of the ToR shall read as follows:

1. Bids should be placed at <https://platformazakupowa.pl/pn/imif> until the 26.10.2022 r., 09:00 hours.
2. Bids shall be opened on the 26.10.2022, at 10:00 hours.

Note!

The Contracting Entity informs that the above change is an integral part of the Terms of Reference. The remaining statements of the Terms of Reference remain without changes.
