Architectural floor plan of a two-story building. The plan shows two main rooms: "płwnica 2" (25.42m²) on the upper floor and "płwnica 1" (23.12m²) on the lower floor. Both rooms have concrete screeds ("posadzka bet.") and a height of 165-198cm. The building has a thick exterior wall with several windows. Stairs are located in the lower left corner. Various structural and construction details are marked with codes like TB4F5.3, TB4F6, and TB4F3.3, along with dimensions and material specifications.
