The location of the meeting venue in the city centre:

3.1. Travel by plane

If you are arriving by plane, you will land at Jože Pučnik Airport Ljubljana which is the central Slovenian international airport and is located 80 km away from Celje.

We highly recommend using GoOpti transports to travel from the airport to Celje, but we would like to warn you about early booking (<https://www.goopti.com/en/>). If using GoOpti, we recommend you to select the drop off point Railway station Celje that is located in the city centre within the walking distance to both recommended hotels.

You can also use other organized transports (bus, taxi, rent-a-car) from the airport to the city centre of Ljubljana, the capital city of Slovenia. From Ljubljana, continue your trip to Celje by train (<http://www.slo-zeleznice.si/en/>) or by bus (<https://www.ap-ljubljana.si/en/>).

3.2. Travel by car

If you are arriving by car, take the highway connection from the direction of Italy, Austria or Hungary. Please make sure to buy the vignette. A weekly vignette for a car costs 7,50 €. From the direction of Croatia, you will come to Celje via local roads.

3.2. Local transportation in Celje

The local public transportation in Celje is not very convenient for an unfamiliar user. The recommended hotels, restaurants and the meeting venue are all in the city centre within walking distance. For any other trips you might take we recommend using a taxi. The usual fare is around 3.00 € for 3 km.
