This is a detailed technical drawing of a residential development plan. The plan shows a complex arrangement of building footprints, roads, and landscaping. Key features include:

- Building Footprints:** Several large rectangular buildings are shown, some with internal divisions. Labels like 'ch.bl.' (likely 'ch. bl.' for 'ch. bl.') and 'jmb.' are used to identify specific buildings.
- Roads and Paths:** A network of roads and paths is depicted, with some labeled 'ch.bl.' and others 'jmb.'.
- Landscaping and Greenery:** Areas of greenery are indicated by wavy lines and labels like 'psv' (likely 'psv' for 'psv').
- Annotations and Text:** The plan is heavily annotated with Cyrillic and English text. Notable annotations include 'obrep. 07' (likely 'obrep. 07' for 'obrep. 07'), 'k.k.' (likely 'k.k.' for 'k.k.'), and 'ch.bl.' (likely 'ch. bl.' for 'ch. bl.').
- Grid and Scale:** A grid of numbers and letters is present, and a scale bar is located at the bottom of the plan.

The plan is a technical drawing, likely a site plan or a master plan, used for the development of a residential area. It provides a detailed view of the proposed buildings, roads, and landscaping, and includes various annotations and text to provide context and information.
