WIAZAR W-1

Technical drawing of a roof truss (WIAZAR W-1) showing dimensions and components. The drawing includes a cross-section of the truss structure with a central vertical support and diagonal bracing. Key dimensions are indicated:

- Overall height: 151
- Height from base to peak: 1725
- Height from base to eave: 1513
- Horizontal distance from central support to eave: 6420
- Horizontal distance from central support to central vertical support: 12840
- Horizontal distance from central support to right eave: 6420
- Horizontal distance from central support to right vertical support: 13040

Labels N-1 and W-1 are present on the drawing.

WIAZAR W-2, W-3

Technical drawing of a roof truss (WIAZAR W-2, W-3) showing a symmetrical gable structure. The drawing includes the following dimensions and labels:

- Labels:** N-1 (End nodes), W-1 (Internal vertical supports), W-2 (Left half), W-3 (Right half).
- Dimensions:**
 - Overall width: 13040
 - Half-width (from centerline to edge): 6420
 - Overall height: 12840
 - Height of the main truss section: 10000

The drawing shows two elevations of a building facade, labeled "WIDOK Z GÓRY" (View from the Hill). The top elevation shows a long facade with a central vertical line and two side sections. The bottom elevation shows a similar facade with a central vertical line and two side sections. Dimensions are provided for the overall width and height, and for individual window and door units.

Top Elevation Dimensions:

- Overall width: 13040
- Overall height: 4350
- Left section width: 6520
- Right section width: 6520
- Window labels: 2x N-1, W-1

Bottom Elevation Dimensions:

- Overall width: 13040
- Overall height: 135
- Left section width: 6264
- Right section width: 6264
- Central section width: 97
- Window labels: 2x N-1, W-3
