INFORMATION ABOUT CHOOSING

Concern: Proceedings carried out in the basic mode for the implementation of the task entitled: "**Delivery of an automatic bioaerosol detector with an atomizer and software for data management and visualization**".

Based on the article 253 paragraph 2 of the Act of September 11, 2019 Public Procurement Law (Journal of Laws of 2022, item 1710, as amended), the Ordering Party – University of Wrocław informs that in the proceedings in question, the most advantageous is the offer No. 1 submitted by:

Swisens AG
Technikumstrasse 21,
CH-6048, Horw,
Switzerland
CHE-308.189.405

Justification for selection: The Contractor, i.e. **Swisens AG, Technikumstrasse 21, CH-6048, Horw, Switzerland**, meets the conditions for participation in the procedure. The content of the offer corresponds to the content of the specification of the terms of the contract. The Contractor obtained the highest number of points (60.00 points) in accordance with the criteria specified by the Ordering Party. There is not ground to exclusion of the Contractor and his offer is not subject to rejection. This is the only offer submitted in this proceeding.

Legal basis for the choice made: art. 239 sec. 1 of the Public Procurement Law: "The ordering party selects the best offer on the basis of the offer evaluation criteria specified in the procurement documents."

Summary of evaluation and comparison of submitted offers:
