[illegible]

Technical drawing of a road cross-section. The drawing shows a road profile with a 10% slope indicated by a dashed line labeled '10%'. The road width is marked as 'W-1 PE-100 PN10 SDR17 Ø160 mm'. The road is labeled 'na odc. W1 - W17, L=1 296,9m'. The road is shown in a plan view with a centerline and edge lines. The drawing includes dimensions for the road width and the slope. The road is shown in a plan view with a centerline and edge lines. The drawing includes dimensions for the road width and the slope. The road is shown in a plan view with a centerline and edge lines. The drawing includes dimensions for the road width and the slope.

W-1.3 PE100 PN10 SDR17 Ø180 mm
na odc. W10-W15a, L=421,3m

W-2b PE100 PN10 SDR17
Ø160 mm na odc. W35 - W37, L=458,5m
