- 2) The Contracting Authority shall evaluate whether the actions taken by the Contractor are sufficient to demonstrate its reliability, considering the significance and specific circumstances of the act of the Contractor. If they are deemed insufficient, the Contractor shall be excluded.

VII. SUBJECTIVE AND OBJECTIVE EVIDENCE, OTHER STATEMENTS AND DOCUMENTATION

1. STATEMENTS AND DOCUMENTATION SUBMITTED WITH THE BID.

- 1.1st The bid shall be placed in electronic form, otherwise it shall be considered null and void. The bid shall be prepared on the template constituting [Appendix No. 3 to these Terms of Reference].
- 1.2nd The Contractor shall attach to the bid a declaration pursuant to Article 7(1) of the Act of 13 April 2022 on special measures to counteract the support of aggression against Ukraine and to protect national security (Journal of Laws of 2022, item 835), as well as Article 5k of Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 229, 31.7.2014, p. 1) — [Annex No. 9 to the Terms of Reference (ToR)] — in electronic form, signed with a qualified electronic signature.
- 1.3rd The Contractor shall attach a statement confirming the absence of grounds for exclusion and the fulfilment of the conditions for participating in the procedure, within the scope specified by the scope specified by the Contracting Authority. The statement shall be made on the form of the **European Single Procurement Document (ESPD)**, pursuant to the template of the standard form specified in the Regulation (EU) 2016/7 of 5 January 2016 establishing the standard form for the European Single Procurement Document, hereinafter referred to as the **"ESPD"**. The instructions how to complete the ESPD are available at: <https://www.uzp.gov.pl/baza-wiedzy/prawo-zamowien-publicznych-regulacje/prawo-krajowe/jednolity-europejski-dokument-zamowienia>
- 1.4th If two or more Contractors apply jointly for the Contract, each of them shall file the ESPD. The ESPD confirms the absence of grounds for the exclusion of the Contractor and the fulfilment of the conditions for the participation in the procedure to the extent, to which each of the Contractors demonstrates that it fulfils these conditions.
- 1.5th The Contractor who relies on the capacity or financial standing of the entities that provide access to resources shall provide, along with the ESPD, also the ESPD of the entity that provides access to resources, confirming the absence of grounds for exclusion of such entity

and the fulfilment of the conditions for the participation in the procedure to the extent, to which the Contractor references its resources.

- 1.6th The ESPD, prepared on the template that constitutes [Appendix No. 2 to these Terms of Reference] should be filed through the Platform with use of the ESPD tool/website. The ESPD shall be prepared in electronic form, with an affixed qualified electronic signature; otherwise it shall be null and void.
- 1.7th The Contractor may use the ESPD previously used in a different procedure for awarding a Contract, provided that it confirms that the contained information remains accurate.
- 1.8th If the ESPD or subjective evidence filed by the Contractor raise doubts of the Contracting Authority, then the latter may refer directly to the entity that possesses the information or documents that are important for the evaluation of the fulfilment of the conditions for participating in the procedure or absence of grounds for exclusion, to present such information or documents.
- 1.9th The Contracting Authority shall not call for the submission of subjective evidence, if:
 - a) it may be obtained free of charge from publicly available databases, including but not limited to public records as defined in the Act of February 17 2005 on the computerization of business entities pursuing public tasks, if the Contractor specified the data that enable access to these resources in the ESPD;
 - b) the subjective evidence is the statement whose content corresponds to the scope of the statement specified in Art. 125, item 1 of the PPL Act.
- 1.10th The Contractor is not obliged to submit subjective evidence that is in the possession of the Contracting Authority, if the Contractor specifies such evidence and confirms its correctness and up-to-dateness.
- 1.11th If the Contractor failed to submit the ESPD specified in item 2) of these ToR, the subjective evidence, other documents or statements filed in the procedure, or if these documents are incomplete or contain errors, the Contracting Authority shall demand the Contractor, respectively, to file, correct or complete them within a specific period, unless the Contractor's bid is rejected regardless of filing, correcting or completing them, or there are grounds for cancelling the procedure.
- 1.12th If the Contractor fails to submit the required powers of attorney or the submitted powers are defective, the Contracting Authority shall demand the Contractor to file them within a specified period, unless the Contractor's bid is rejected even if they are submitted or unless it would be necessary to cancel the procedure.
- 1.13th The Contracting Authority may demand the Contractors to provide explanations concerning the content of the ESPD or of the submitted subjective evidence, other documents or statements submitted in the procedure.
- 1.14th If it is necessary to ensure the proper course of the procedure for awarding the Contract, the Contracting Authority may, on every stage of the procedure, call the Contractors to submit some or all of the subjective evidence valid as of the date of submission.
- 1.15th If there are reasonable grounds to consider that the previously filed subjective evidence is outdated, the Contracting Authority may at any time demand the Contractor(s) to file some or all the subjective evidence that is valid as of the date of submission.

- 1.16th In the event specified in item 8) of these Terms of Reference, the Contracting Authority may demand the Contractor to present a Polish translation of the documents specified by the Contractor and obtained independently by the Contracting Authority.
- 1.17th If the subjective evidence, objective evidence, other documents or documents that confirm the authorisation to represent, respectively, the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources on the conditions specified in Art. 118 of the PPL Act or subcontractors not being entities providing access to resources on these conditions, hereinafter, in this Section, referred to as “documents confirming the powers of representation” were issued by authorised entities other than the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources or subcontractor, hereinafter, in this Section, referred to as “authorised entities” in electronic form, this document shall be submitted.
- 1.18th If the subjective evidence, objective evidence, other documents or documents that confirm the powers of representation were issued by the authorised entities as a document in hardcopy format, a digital representation of this document shall be submitted, with the affixed qualified electronic signature to certify the compliance of the digital representation with the printed document.
- 1.19th The compliance of the digital representation with the hardcopy document, as specified in item 17) shall be made:
- a) for subjective evidence and documents confirming the powers of representation – respectively by the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources or the subcontractor, for these subjective evidence or documents confirming the powers of representation that refer to each of them;
 - b) for objective evidence – respectively, the Contractor or Contractors jointly applying for the public Contract;
 - c) for other documents, respectively, the Contractor or Contractors jointly applying for the public Contract, for these documents that refer to each of them.
- 1.20th The compliance of the digital representation with the hardcopy document, as specified in item 17) may also be certified by a notary public.
- 1.21st Digital representation is understood as an electronic document that is an electronic copy of the content recorded in hardcopy form, which enables reading and understanding its content without the need to access the original document.
- 1.22nd Bids and statements specified in Art. 125, item 1 of the PPL Act, subjective evidence, including the statement specified in Art. 117, item 4 of the PPL Act and the statement of the entity providing access to resources specified in Art. 118, item 3 of the PPL Act, hereinafter referred to as the “statement of the entity providing access to resources”, the power of attorney, shall be made in electronic form, in the data formats specified in the regulations issued under Art. 18 of the Act of February 17 2005 on computerisation of activity of entities implementing public tasks (Journal of Laws of 2020, item 346, 568, 695, 1517, and 2320), with the reservation of the formats specified in Art. 66, item 1 of the PPL Act, considering the type of the data submitted.

2. STATEMENTS AND DOCUMENTS SUBMITTED ON DEMAND.

- 1) Pursuant to art. 126, item 1 of the PPL Act, before selecting the best bid, the Contracting Authority shall demand the Contractor whose offer received the highest score to submit within a specific period, not shorter than 10 days, the following evidence that are valid on the day of submission:

- 1.1st **an excerpt or information from the National Court Register, the Central Registration and Information on Business** in terms of art. 109 paragraph. 1 point 4 of the PPL, prepared not earlier than 3 months before its submission, if separate provisions require registration.
- 1.2nd **Information from the National Criminal Register**, in the scope specified in Art. 108, item 1 (1) and (2) of the PPL Act, issued not earlier than 6 months before submission;
- 1.3rd **Information from the National Criminal Register**, in the scope specified in Art. 108, item 1 (4) of the PPL Act concerning the decision forbidding to apply for public contracts as a penal measure, issued not earlier than 6 months before submission;
- 1.4th **Statement of the Contractor** confirming that the information provided in the statement specified in Art. 125, item 1 of the PPL Act on the grounds for exclusion specified by the Contracting Authority and foreseen in:
 - Art. 108, item 1 (3) of the PPL Act,
 - Art. 108 item 1 (4) of the PPL Act on the decision forbidding to apply for public contracts as a preventive measure,
 - Art. 108, item 1 (5) of the PPL Act on entering into an agreement with other Contractors with the aim to disturb competition,
 - Art. 108, item 1 (6) of the PPL Act.
 - Article 7(1)(1)–(3) of the Act of 13 April 2022 on special measures to counteract the support of aggression against Ukraine and to protect national security,
 - Article 5k of Regulation 833/2014, as amended by Regulation (EU) 2022/576 amending Regulation (EU) No 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 111, 8.4.2022, p. 1), which is of general application, binding in its entirety and directly applicable in all EU Member States.

Pursuant to [Appendix No. 4 to these Terms of Reference]

- 1.5th **Statement of the Contractor** required under Art. 108, item 1 (5) of the PPL Act, on not being a member of the same capital group, as defined in the Act of February 16 2007 on the Protection of Competition and Consumers (Journal of Laws of 2020, items 1076 and 1086) as another Contractor who placed a separate bid or a partial bid or a statement on being a member of the same capital group, along with the documents or information that confirm that the bid or partial bid has been prepared independently from another Contractor belonging to the same capital group.

Pursuant to [Appendix No. 5 to these Terms of Reference]

- 1.6th **List of deliveries performed** – confirming that the Contractor has performed at least 1 delivery of a **oxidation furnace** of the minimum net value of PLN 800 000.00 within the 3 years preceding the date of placing bids, and if the period of business activity is shorter – during that period. The statement should specify the value, subject, date of realisation and the entity to which the delivery was made, as well as evidence to prove that the said delivery

was duly performed. Such evidence may be references or other documents made by the entity to whom the delivery was made. If the Contractor is unable to obtain such evidence due to reasons beyond its control – the statement of the Contractor.

Pursuant to [Appendix No. 10 to these Terms of Reference].

- 2) The Contracting Authority shall demand Contractors who rely on the capacity of other entities on the terms and conditions specified in Art. 118 of the PPL Act to present the subjective evidence listed hereinabove in item 2) (1.1. – 1.4.) of these Terms of Reference with respect to those entities.
- 3) If two or more Contractors apply jointly for the Contract, the subjective evidence listed hereinabove in item 2) (1.1. – 1.5.) of these Terms of Reference shall be placed by each of them separately.
- 4) The Contractor shall not be obliged to submit the documents specified in Chapter VII, item 2, point 1 (1.1.) of these Terms of Reference if the Contracting Authority may obtain them from generally available databases free of charge, provided that the Contractor has specified the data that enable access to these documents.
- 5) If the seat or place of residence of the Contractor is located outside the territory of the Republic of Poland, then such Contractor shall submit:
 - a) instead of the information from the National Criminal Register as defined in Chapter VII, item 2, point 1 (1.2) and (1.3.) – information from the relevant register, such as the court register or, if such register does not exist – another, equivalent document issued by the competent administrative or judicial authority of the country of the Contractor's seat or place of residence, to the extent specified in Chapter VII, item 2, point 1 (1.1.) and (1.2.);
 - b) instead of the excerpt from the National Court Register, the Central Registration and Information on Business as defined in Chapter VII item 2 point 1 (1.1.) – document(s) issued in the country of the Contractor's seat or place of residence, confirming, respectively, that it is not subject to an open liquidation procedure, its bankruptcy has not been declared, its assets are not managed by a receiver or court, it has not entered into a composition arrangement with creditors, its business activity has not been suspended and that it is not in another situation of a similar nature as a result of a similar procedure foreseen in the legal regulations of the place where the procedure was initiated.
- 6) The document specified in Chapter VII item 2 point 5) (a) should be issued not earlier than 6 months before submission. The documents specified in Chapter VII item 2 point 5) (a) should be issued not earlier than 3 months before submission.
- 7) If the country where the Contractor's seat or place of residence is located does not issue the documents specified in Chapter VII item 2 point 5) or if such documents do not refer to all the cases specified in Art. 108, item 1 points 1, 2, and 4, then these documents shall be replaced, in whole or in part, by a document containing an affidavit of the Contractor, specifying the person(s) authorised to represent it or an affidavit of the person whom the document should concern, or, if the country where the registered seat or place of residence of the Contractor are located does not issue affidavits – a statement made under an oath before a judicial or administrative authority, a notary public, a professional or business self-government organ that is competent for the registered seat or place of residence of the Contractor. The provisions of item 6) shall apply.

3. COMPANY SECRET

- 1) In the event if the bid or other documents submitted for the purposes of the procedure contain company secrets, the Contractor shall make a reservation that such information must not be disclosed and **demonstrate** that the reserved information constitutes company secret as defined in the provisions of the Act of April 16 1993 on combating unfair competition (consolidated text: Journal of Laws of 2020, item 1913).
- 2) If the electronic documents that are sent through means of electronic communication for the purposes of the procedure contain information that constitutes company secret as defined in the cited Act on combating unfair competition, the Contractor shall submit such information in a separate, appropriately marked file in order to maintain the confidentiality.

4. THE CONTRACTOR

- 1) The Contractor shall be defined as a natural person, legal entity, or an organisational unit without legal personality that offers on the market the performance of construction works or building structures, delivery of goods or provision of services, or applies for a Contract, has placed a bid, or entered into an agreement concerning a public procurement Contract.
- 2) The Contracting Authority does not reserve the possibility to apply for the Contract only to Contractors specified in Art. 94 of the PPL Ac, i.e. those that have the status of a supported employment enterprise, social cooperative, or other Contractors whose main aim or the main aim of their separate organisational units that will perform the Contract is to ensure social and professional integration of socially marginalised groups.

5. CONTRACTORS WHO JOINTLY APPLY FOR A PUBLIC CONTRACT

- 1) Contractors may jointly apply for awarding a public Contract. In such event, the Contractors who apply jointly shall appoint an authorised representative to represent them in the procedure or to represent them in the procedure and to enter into the agreement on the public procurement Contract in question.
- 2) The condition concerning the authorisation to conduct a specific type of business or professional activity (if it has been formulated), specified in Art. 112, item 2 (2) of the PPL Act shall be fulfilled if at least one of the Contractors who are jointly applying for the Contract is authorised to conduct a specific business or professional activity and will perform the construction works whose realisation requires such authorisation.
- 3) As for the conditions concerning education, professional qualifications or experience (if they have been formulated), the Contractors who are applying jointly for a Contract may rely on the capacity of those Contractors.
- 4) In the case referred to in points 2) and 3), contractors jointly applying for the award of the contract shall attach to the bid a **declaration** indicating which construction works, supplies or services will be performed by each of the contractors.

6. ACCESSIBILITY OF RESOURCES

- 1) In order to confirm the fulfilment of the conditions for participating in the procedure on terms provided in Art. 118 – 123 of the PPL Act, the Contractor may rely on the technical or professional abilities or the economic or financial standing of entities that provide access to its resources, regardless of the legal nature of the relationship between them and the Contractor. The entity, whose resources the Contractor references in order to demonstrate the fulfilment of the conditions for participating in the procedure cannot be subject to exclusion based on 108, item 1 and 109, items 1 and 4 of the PPL Act.
- 2) As for the conditions concerning the education, professional qualifications or experience, the Contractors may rely on the capacity of the entities that provide access to resources, if these entities will perform the construction works that require such capacity.
- 3) The Contracting Authority shall demand Contractors who rely on the capacity and standing of other entities on the terms and conditions specified in Art. 118 of the PPL Act to present the subjective evidence listed hereinabove in Chapter VII item 2) of these Terms with respect to these entities.
- 4) The Contractor who relies on the capacity or financial standing of the entities that provide access to resources shall place, together with the bid, a statement of such entity that confirms that it is obliged to provide it with access to the necessary resources for the purposes of realisation of the given Contract, or another motion of evidence confirming that the Contractor may use the resources of these entities for the realisation of the Contract.
- 5) The statement of the entity providing access to resources specified in Chapter VII, item 6 (3) of these Terms of Reference, shall confirm that the relationship between the Contractor and the entity providing access to resources guarantees actual access to these resources and define, in particular:
 - 4.1. the scope of resources of the entity that are available for the Contractor;
 - 4.2. the manner and duration of making the resources accessible to the Contractor and the use of these resources by the Contractor during the realisation of the Contract;
 - 4.3. whether and to what extent the entity that provides access to resources, on whose capacity the Contractor will rely with respect to the condition for participating in the procedure that refer to education, professional skills or experience will realise the construction works to which the specific capacity applies.
- 6) The Contracting Authority shall evaluate whether the technical or professional skills or the economic or financial standing of the entities providing resources to the Contractor enable the Contractor to prove that it fulfils the conditions for participation in the procedure specified in Chapter III of these Terms of Reference, and whether the entity is not subject to the grounds for exclusion that are foreseen for the Contractor.
- 7) The entity that is obliged to provide access to resources shall bear joint and several liability with the Contractor for any damages suffered by the Contracting Authority as a result of failure to provide access to these resources, unless the fault for such failure does not lie on part of the entity.

7. SUBCONTRACTING

- 1) The Contractor may entrust the performance of part of the Contract to a subcontractor.
- 2) The Contractor shall specify the parts of the Contract that it intends to entrust to subcontractors in the bid form and provide the names of potential subcontractors, if they are already known.

VIII. Information about means of electronic communication used by the Contracting Authority to communicate with Contractors and information about the technical and organisational requirements for preparing, delivery and receipt of electronic communication:

1. General information:

- 1) The procedure shall be conducted in Polish and English languages. All statements and notifications shall be prepared in Polish or English language versions. The Agreement shall be drawn up in Polish and English language versions. The Contracting Authority shall conduct the procedure in two languages pursuant to Art. 20, item of the PPL Act due to the possibility to expand the group of contractors and the specialist nature of the Contract.
- 2) The communication between the Contracting Authority and the Contractors, in particular placing bids and submitting statements, shall take place through means of electronic communication as defined in the Act of July 18 2002 on the Provision of Electronic Services (Journal of Laws of 2017, item 1219, and of 2018, item 650 incl. amendments).
- 3) In order to shorten the time to provide answers to all inquiries, the communication between the Contracting Authority and the Contractors, including all statements, motions, notifications and information, should be sent through platformazakupowa.pl and the form "Send message to the Contracting Authority".
- 4) The date of delivery of statements, motions, notifications, and information shall be deemed as the date of sending them through the website platformazakupowa.pl by clicking on the button "Send message to the Contracting Authority", after which the message will be displayed to confirm that the message has been sent to the Contracting Authority. In emergency situations, the Contracting Authority accepts communication by e-mail. E-mail address of the person authorised to contact the Contractors: agata.zygler@imif.lukasiewicz.gov.pl, katarzyna.klimowska@imif.lukasiewicz.gov.pl
- 5) The Contracting Authority shall send information to Contractors through the website platformazakupowa.pl. Information concerning responses to inquiries, changes to specifications, changes of the date of placing and opening the bids shall be published on the platform in the "Announcements" section. Correspondence that is addressed to a specific Contractor pursuant to binding regulations shall be sent electronically through the website platformazakupowa.pl to the given Contractor.
- 6) The Contractor as a professional entity is obliged to check the messages and announcements sent by the Contracting Authority directly on platformazakupowa.pl as the notification system may be down or the notification may be directed to the SPAM folder.
- 7) Pursuant to §11 item 2 of the Ordinance of the Prime Minister of December 30 2020 on the manner of preparing and transmitting information and the technical requirements for electronic documents in procedures to award a public Contract or competitions, the Contracting Authority hereby defines the necessary hardware and software requirements that enable working on platformazakupowa.pl, i.e.:
 - a) continuous access to the Internet of a guaranteed bandwidth of 512 kb/s,
 - b) PC or MAC computer in the following configuration: minimum memory 2 GB RAM, Intel IV 2 GHz processor or newer version, one of the operating systems: MS Windows 7, Mac OS X 10.4, Linux, or newer versions,

- c) any Internet browser installed, for Internet Explorer version 10.0 at the minimum,
 - d) JavaScript enabled,
 - e) Adobe Acrobat Reader or another application that supports the .pdf format,
 - f) Platformazakupowa.pl operates according to the standard adopted for network communication – UTF8 coding,
 - g) The time of data reception by platformazakupowa.pl is designated as the date and exact time (hh:mm:ss) generated according to local server time synchronised with the clock of the Central Office of Measures.
- 8) By participating in the procedure to award a public Contract, the Contractor:
- a) accepts the terms and conditions of using the website platformazakupowa.pl specified in the Terms and Conditions published at: <https://platformazakupowa.pl/strona/1-regulamin> in the “Terms and Conditions” tab and accepts them as binding,
 - b) has read and undertakes to comply with the instructions on placing bids and submitting documents available at: <https://drive.google.com/file/d/1Kd1DttbBeiNWt4q4sIS4t76lZVKPbkyD/view>.
- 9) **The Contracting Authority shall not be responsible for bids placed in a manner not compliant with the instructions of use of platformazakupowa.pl**, in particular for situations when the Contracting Authority will become familiar with the content of the bid before the expiry of the period for placing bids (e.g. bids placed through the “Send message to the Contracting Authority” function).
- 10) The Contracting Authority hereby informs that the instructions for using platformazakupowa.pl in particular logging in, submitting motions for explanations of the Terms of Reference, placing bids and other actions taken in this procedure with use of platformazakupowa.pl are available in the tab “Instructions for Contractors” on the website, at: <https://platformazakupowa.pl/strona/45-instrukcje>.

2. Recommendations of the Contracting Authority:

- 1) **The extensions of files used by Contractors should be compliant with** Appendix No. 2 to the "Ordinance of the Council of Ministers on the National Framework of Interoperability, minimum requirements for public registers and sharing information in electronic form and the minimum requirements for ICT systems", hereinafter: the KRI Ordinance.
- 2) The Contracting Authority recommends using the following formats: . pdf .doc .docx .xls .xlsx .jpg (.jpeg) **in particular .pdf**
- 3) For optional data compression, the Contracting Authority recommends using one of the following extensions:
 - 1. . zip
 - 2. . 7Z
- 4) Common extensions **not listed** in the KRI Ordinance include: . rar .gif .bmp .numbers .pages.
Documents submitted in form of such files shall not be deemed as delivered effectively.
- 5) Recommendations for Contractors who use a qualified electronic signature:

- a) Due to low risk of damaging the integrity of the file and easier verification of the signature, the Contracting Authority recommends, if possible, **converting the files constituting the bid into the .pdf format and affixing a qualified signature in the PAdES format.**
- b) Files in formats other than PDF **should be signed in the XAdES format, external type.** The Contractor should remember to submit the file with the signature together with the signed document.
- c) The Contracting Authority recommends using a signature with a qualified time stamp.

Note: Bids with affixed trusted signatures or personal signatures shall not be accepted.

IX. FORM OF THE SUBMITTED STATEMENTS AND DOCUMENTS

1. Bids and statements specified in Art. 125, item 1 of the PPL Act shall be submitted in electronic form, otherwise they shall be considered null and void.
2. Bids and statements specified in Art. 125, item 1 of the PPL Act, subjective evidence, including the statement specified in Art. 117, item 4 of the PPL Act and the statement of the entity providing access to resources specified in Art. 118, item 3 of the PPL Act, in this Chapter further referred to as “the obligation of the entity providing access to resources”, objective evidence, power of attorney, and the documents specified in Art. 94, item 2 of the PPL Act shall be made in electronic form, in data formats specified in the provisions issued pursuant to Art. 18 of the Act of February 17 2005 on computerisation of activity of entities implementing public tasks (Journal of Laws of 2020, item 346, incl. amendments).
3. Subjective evidence, objective evidence, and other documents or statements made in a language other than Polish shall be submitted together with Polish or English translation.
4. If the subjective evidence, objective evidence, other documents or documents that confirm the authorisation to represent, respectively, the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources on the conditions specified in Art. of the PPL Act or of a subcontractor not being an entity that provides access to resources, hereinafter, in this Chapter, referred to as “documents confirming powers of representation” were issued by authorised entities other than the Contractor, Contractors jointly applying for the Contract, entity providing access to resources or a subcontractor, hereinafter, in this Chapter, referred to as “authorised entities”, in electronic form, this document shall be submitted.
5. If the subjective evidence, objective evidence, other documents or documents confirming the powers of representation were issued by authorised entities in hardcopy form, a digital representation of such document shall be submitted, with an affixed qualified electronic signature to certify the compliance of the digital representation with the hardcopy document.
6. The compliance of the digital representation with the hardcopy document shall be certified:
 - 1) for subjective evidence and documents confirming the powers of representation – respectively by the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources or the subcontractor, for these subjective evidence or documents confirming the powers of representation that refer to each of them;

- 2) for objective evidence – respectively, the Contractor or Contractors jointly applying for the public Contract;
 - 3) for other documents, respectively, the Contractor, Contractors jointly applying for the public Contract, for these documents that refer to each of them.
7. Digital representation is understood as an electronic document that is an electronic copy of the content recorded in hardcopy form, which enables reading and understanding its content without the need to access the original document.
8. Subjective evidence, including the statement specified in Art. 117, item 4 of the PPL Act and the obligation of the entity providing access to resources, objective evidence not issued by authorised entities and the power of attorney shall be submitted in electronic form, with the affixed qualified electronic signature.
9. If the subjective evidence, including the statement specified in Art. 117 item 4 of the PPL Act, and the obligation of the entity providing access to resources, objective evidence not issued by authorised entities or power of attorney were prepared in hardcopy form with an affixed handwritten signature, a digital representation of such document shall be submitted, with an affixed qualified electronic signature to certify the compliance of the digital representation with the hardcopy document.
10. The compliance of the digital representation with the hardcopy document shall be certified:
 - 1) for subjective evidence– respectively by the Contractor, Contractors jointly applying for the public Contract, the entity providing access to resources or the subcontractor, for these subjective evidence that refer to each of them;
 - 2) for objective evidence or statement specified in Art. 117, item 4 of the PPL Act or the obligation of the entity providing access to resources – respectively, by the Contractor or Contractors jointly applying for the public Contract;
 - 3) for the power of attorney – by the principal.
11. The compliance of the digital representation with the hardcopy document specified in Chapter IX items 6 and 10 of these Terms of Reference may also be certified by a notary public.
12. If an electronic document is submitted in the procedure in a format that subjects data to compression, affixing qualified electronic signature to the file that contains compressed documents shall mean that the qualified electronic signature is affixed to all documents in this file
13. Electronic documents in the procedure shall meet all the following requirements:
 - 1) they are recorded in a manner than enables reading, saving and copying them multiple times, and transmitting them through means of electronic communications or on a data carrier;
 - 2) enable the presentation of content in electronic format, in particular by displaying the content on a computer screen;
 - 3) enable the presentation of content in hardcopy form, in particular by printing;
 - 4) contain data that is arranged in a manner that raises no doubts concerning the content and context of the recorded information.

X. Requirements concerning security
--

Not required.

XI. Bid validity period

1. Pursuant to art. 220 item 1 of the PPL Act, the Contractor shall be bound by the bid for a period of **90 days**. The bid validity period shall commence upon the expiry of the bid placement date, provided that the first day of validity is the date of expiry of the bid placement period. **The bid validity period shall expire on the 05.10.2025.**
2. If the best bid has not been selected before the expiry of the bid validity period specified in item 1 hereinabove, the Contracting Authority shall ask the Contractors once before the expiry of the bid validity period to agree to prolong the period for the specified time, however not longer than **60 days**.
3. The prolongation of the bid validity period specified in item 2 hereinabove requires the written consent of the Contractor to prolong the bid validity period.
4. Pursuant to Art. 226, item 12 of the PPL Act, if the Contractor fails to grant the written consent specified in item 11.3 to prolong the bid validity period, the bid shall be rejected.

XII. Description of the manner of preparing bids:

1. The bid shall be prepared in electronic form on the Bid Template constituting **[Appendix No. 3 hereto]**. The bid shall contain, in particular:
 - 1) the complete name and address of the Contractor,
 - 2) the date of preparing the bid,
 - 3) the price – prices may be quoted in one of the following currencies: PLN, EUR, USD, or GBP. For bids with prices in EUR, USD or GBP, prices will be compared after conversion into Polish zloty – PLN. Prices will be converted at the foreign currency exchange rate of the NBP valid as of the day preceding the day of opening the bids.
2. The following should be attached to the bid:
 - 1) Completed and signed [Appendix No. 1 to these Terms of Reference],
 - 2) European Single Procurement Document [Appendix No. 2 to these Terms of Reference],
 - 3) A declaration by the Contractor pursuant to Article 7(1) of the Act of 13 April 2022 on special measures to counteract the support of aggression against Ukraine and to protect national security (Journal of Laws of 2022, item 835), and Article 5k of Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 229, 31.7.2014, p. 1) — [Annex No. 9 to the Terms of Reference (ToR)] — in electronic form, signed with a qualified electronic signature.
 - 4) Power of attorney or another document confirming the authorisation to represent the Contractor if such authorisation of the person placing the bid does not result from the submitted documents,
 - 5) The statement of the entity that provides access to resources, confirming that it is obliged to provide the Contractor with access to the necessary resources for the purposes of realisation

of the given Contract, or another subjective evidence confirming that the Contractor may use the resources of these entities for the realisation of the Contract in the event if the Contractor relies on the capacity or standing of such entities.

- 6) for Contractors applying jointly for the Contract:
 - a) power of attorney for Contractors applying jointly for the Contract, which will imply the authorisation to represent them in the procedure for awarding the Contract or to represent them in the procedure and to enter into an agreement concerning the public Contract. The power of attorney should specify, in particular:
 - the public procurement procedure to which it refers,
 - the names and registered seat addresses of all Contractors who apply jointly for the Contract,
 - the appointed authorised representative and the scope of their powers.
 - b) Statement which indicate which construction works, supplies or services are performed by individual contractors, constituting Appendix No. 9 to ToR.
- 7) Partners of a civil partnership are treated as Contractors jointly applying for the award of a public contract and the provisions specified for Contractors jointly applying for a public contract apply to them.

XIII. Manner and date of placing and opening the bids:

1. Bid shall be placed at <https://platformazakupowa.pl/pn/imif> by the **08.07.2025** by **09:00 hours**.
2. Bids shall be opened on the **08.07.2025**, at **10:00 hours**.
3. The Contracting Authority shall publish on the website of the conducted procedure the information about the amount that it intends to spend on financing the Contract at the latest before opening the bids.
4. Immediately after opening the bids, the Contracting Authority shall publish the following information on the website of the conducted procedure:
 - a) names or first names and surnames and the registered seats or places of conducting business activity or places of residence of the Contractors whose bids have been opened;
 - b) prices or costs contained in the bids.
5. The Contractor may change or withdraw the bid through the website platformazakupowa.pl before the end of the period for placing the bids. The manner of withdrawing or changing bids is described in the instructions published online, at: <https://platformazakupowa.pl/strona/45-instrukcje>.
6. If the bids are opened with use of an ICT system, in the event of a failure of such system that makes it impossible to open the bids at the time scheduled by the Contracting Authority, the bids shall be opened immediately after the failure has been removed.
7. The Contracting Authority shall inform about the change in the time of opening the bids on the website of the conducted procedure.
8. Pursuant to the definition of an electronic document provided in Art. 3 item 2 of the Act on computerisation of activity of entities implementing public tasks, affixing a qualified electronic signature

to a file that contains compressed data is equivalent to signing the original document, with the exception of copies certified by another contractor who jointly applies for the Contract, by the entity on whose capacity or standing the Contractor relies or by a subcontractor.

9. The maximum size of one file sent through the dedicated forms to: place, change, or withdraw a bid is 150 MB, while the maximum size of file for communication purposes is 500 MB.

XIV. Description of the manner of calculating the price:

1. The gross price of the bid provided in PLN/EUR/USD/GBP shall include all costs that the Contractor has to bear in order to lawfully realise the subject of the Contract specified in the present Terms of Reference, including:
 - a) the price of the subject of the Contract specified in Section III of the Terms of Reference,
 - b) installation price, start-up price,
 - c) testing of the equipment,
 - d) transport, unloading, and mounting,
 - e) terms of delivery: organisation and costs of loading, transport to the location specified by the Contracting Authority, insurance of the delivery, and potential customs fees are borne by the Contractor, together with the risk of loss or damage of the subject of Contract, the duty to unload and install (and any related risks),
 - f) guarantee period,
 - g) post-guarantee period and technical support,
 - h) training for employees,
 - i) software licenses,
 - j) other services, if they are necessary to realise the subject of the Contract.
2. The price of the bid shall also include all due fees, in particular taxes, and any other potential levies.
3. The Contractor shall specify the price as provided in the bid template, i.e. divided into the net price, VAT tax, and the gross total price of the Contract.
4. If a bid is placed which, if selected, would result in a taxation obligation for the Contracting Authority pursuant to the Act on the Goods and Services Tax, the Contracting Authority shall evaluate such bid by adding the tax that it would be obliged to settle pursuant to these provisions to the specified price.
5. When placing the bid, the Contractor shall notify the Contracting Authority whether the selection of the bid will result in the emergence of a taxation obligation for the Contracting Authority, by specifying the name (type) of the goods or services whose delivery or provision will result to such obligation and providing their value without tax.

XV. Description of the criteria used by the Contracting Authority to select the best bid, along with the weight of these criteria and the manner of evaluating bids:

1. The best bid will be the bid that receives the best score balance in the following criteria:

1) **Price** **Weight: 100 %**

2. The score for this criterion shall be calculated from the following formula:

$$C = C_n / C_b \times 100$$

Where:

C – number of points for the price criterion (calculated with the accuracy to two decimal places)

C_n – the lowest price

C_b – price of the analysed bid

The maximum score for the Price criterion is 100 points.

XVI. Information about the formalities to be completed after the selection of the bid in order to enter into an agreement on public Contract:

1. Contractors who have placed the bids on the terms and in the scope specified in Art. 253 item 1 of the PPL Act will be notified about the selection of the bid.
2. The Contracting Authority shall inform the Contractor whose bid has been selected about the time and place of signing the agreement.
3. The agreement shall be concluded not earlier than 10 days after sending the notification about the selection of best bid.
4. If the Contractor whose bid has been selected as the best one avoids signing the agreement on the public procurement Contract or fails to pay the required performance guarantee (if required), the Contracting Authority may reanalyse and reassess the offers of the remaining Contractors in the procedure and select the best bid or cancel the procedure.
5. Immediately after selecting the best bid, the Contracting Authority shall simultaneously notify the Contractors who have placed the bids about:
 - 1) the best bid selected, by providing the name, or first name and surname, the registered seat or place of residence, if it is the place of conducting business activity for the Contractor, whose offer was selected, and the names, or first names and surnames, the registered seats or places of residence, if they are places of conducting business activity of the Contractors who placed their bids, as well as the score assigned to all offers for each criterion and the total score.
 - 2) Contractors, whose bids have been rejected, providing the factual and legal basis for rejection.
6. The Contractor shall pay the performance guarantee in the amount and form and at the time specified in the notification before signing the agreement.
7. In cases not regulated in the present Terms of reference, the provisions of the Act – Public Procurement Law and of the Polish Civil Code shall apply.

8. Persons authorised to represent the Contractor in signing the agreement should possess the documents that confirm their authorisation to sign the agreement, unless such authorisation results from the documents attached to the submitted bid.

XVII. Draft provisions of the agreement that will be included in the content of the agreement.

1. The draft provisions of the agreement constitute [Appendix No. 7 to these Terms of Reference].
2. By placing the bid, the Contractor accepts the draft provisions of the agreement.

XVIII. Requirements concerning the due performance of the agreement

The Contracting Authority does not require a performance guarantee.

XIX. Instruction concerning legal remedies

1. The aforementioned entities may appeal against:
 - 1) actions of the Contracting Authority taken in the procedure for awarding the Contract, including the draft provisions of the agreement that violate the provisions of the Act;
 - 2) failure to perform an action in the procedure for awarding the Contract to which the Contracting Authority was obliged under the Act;
 - 3) failure to conduct the procedure for awarding a public Contract, although the Contracting Authority was obliged to do so.
2. The appeal should specify the action or omission of the Contracting Authority that is allegedly in violation of the provisions of the PPL Act, and contain a brief presentation of the charges, specify the claim and the factual and legal circumstances that justify the appeal.
3. Appeals shall be filed to the President of the Chamber.
4. The appealing party shall deliver the lodged appeal to the Contracting Authority in electronic form or format, or a copy thereof if it has been filed in writing, before the expiry of the period for appeal in a way that will enable the Contracting Authority to become familiar with its content before the expiry of the said period. It is assumed that the Contracting Authority was able to become familiar with the content of the appeal before the expiry of the period of appeal, if the appeal or a copy thereof has been delivered before the expiry of this period through means of electronic communication.
5. The appeal shall be lodged within 10 days from the date of notification about the action of the Contracting Authority constituting grounds for the appeal, if the notification was made through means of electronic communication, or within 15 days if it has been made in a different manner.

6. Appeals against the content of the announcement initiating the procedure for awarding a public Contract or against the content of the Contract documents shall be lodged within 10 days from the date of publication of the announcement in the Official Journal of the European Union or of publication of Contract documents on a website (Platform).
7. Appeals against actions other than those specified in items 19.5 and 19.6 hereinabove shall be filed within 10 days from the date of becoming aware (or the date when one could become aware with all due diligence) of the circumstances constituting grounds for appeal.
8. If the Contracting Authority failed to fulfil its obligation to notify the Contractor about the selection of best bid, the appeal shall be lodged not later than:
 - 1) 30 days from the date of publication of the announcement about awarding the Contract in the Official Journal of the European Union;
 - 2) 6 months from the date of concluding the agreement, if the Contracting Authority has not published an announcement about awarding the Contract in the Official Journal of the EU.
9. If an appeal is lodged after the expiry of the period for placing bids, the bid validity period shall be suspended until the decision of the National Chamber of Appeal is published.
10. The Contractor may inform about the intention to join the appeal procedure within 3 days from the date of receipt of a copy of the appeal, specifying the party which it wishes to join and its interest in obtaining a decision in favour of the party that it intends to join. The notification on joining the procedure shall be delivered to the President of the Chamber, and copies shall be sent to the Contracting Authority and the Contractor who lodged the appeal.
11. Contractors who have joined the appeal procedure become parties to the procedure if they have an interest in issuing a decision in favour of one of the parties.
12. The Contracting Authority or the appealing party may file an objection against joining the procedure by another Contractor not later than until the opening of the hearing.
13. In cases not regulated in these Terms of Reference with respect to lodging appeals and complaints, the provisions of Art. 505-590 of the PPL Act shall apply.

XX. Other:

1. In cases not regulated in these Terms of Reference, the provisions of the PPL Act shall apply.
2. For natural persons:

Pursuant to art. 13, item 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) (Official Journal of the EU L 119 of the 04.05.2016, page 1), hereinafter: the "GDPR", we inform you that:

		8.3 The device must enable the oxidation process at a standard temperature of $\sim 400^\circ\text{C}$ and a maximum of 500°C .	Confirm
		8.4 The device must enable heating at a rate of at least 1°C/s	Confirm
		8.5 The device must enable cooling at an average rate of at least 1°C/s from the maximum temperature to a temperature of 200°C	Confirm
		8.6 The device must enable oxidation at a speed of at least $0.5\ \mu\text{m/min}$.	Confirm
		8.7 The equipment must provide uniformity of oxidation: $\pm 5\%$ on a 4 inch diameter substrate	Confirm
9.	Oxidation rate control	9.1 The device must provide in-situ control of the oxidation rate by infrared microscopic observation.	Confirm
		9.2 The device must allow microscopic observation of the entire substrate with a diameter of 6 inches. Movement of the microscope over a distance of at least 175 mm.	Confirm
		9.3 Microscope movement controlled by the device control software	Confirm
10.	Operating computer and control software	10.1 A computer or set of computers for controlling the device adapted for work in a clean laboratory (clean-room ISO7) and operation with gloves	Confirm
		10.2 Equipped with two monitors	Confirm
		10.3 Monitors with a minimum diagonal of 24 inches or larger	Confirm
		10.4 Graphical User Interface Software	Confirm

		10.5 The software must provide a view of the set and current parameters of the oxidation process.	Confirm
		10.6 The software must provide manual and automatic control of the oxidation process.	Confirm
		10.7 The software must enable the creation of recipes	Confirm
		10.8 The software must be able to measure the oxidation distance	Confirm
		10.9 The software must enable saving images and video files of the oxidation process.	Confirm
11.	Acceptance testing – 2 stages	<p>11.1 Acceptance of Devices is a two-stage process. Stage I consists of performing tests at the factory Stage II consists of performing tests after installing the device in the Ordering Party's laboratory Stage I – factory tests As part of the acceptance test, before the device is shipped from the production site, the correct operation of all systems and components of the device will be checked by conducting tests in accordance with the manufacturer's standards Materials for testing must be provided by the device manufacturer. Stage II (after installation of the devices): As part of the acceptance test, the correct operation of all systems and device components will be verified by conducting verification tests according to the manufacturer's standards and the following tests: - oxidation uniformity test on the entire 6-inch substrate using test samples of the standard epitaxial structure of the VCSEL laser on GaAs - acceptable spread of +-5% - repeatability test (~5 consecutive, identical tests) of oxidation on the entire 6-inch substrate using test samples of the standard epitaxial structure of the VCSEL laser on GaAs - acceptable spread of +-5% Materials for testing will be provided by the Ordering Party</p>	Confirm
12.	Spare parts and manufacturer support	<p>12.1. Spare parts must be available for at least 10 years. 12.3 The manufacturer guarantees free of charge technical support by e-mail or telephone</p>	Confirm
13.	Training	<p>13.1 The Supplier shall provide training in the use of the device for at least 4 people, including:</p> <ul style="list-style-type: none"> • Use and maintenance of the functionality • Construction of the device (basic components) 	Confirm
14.	Technical documentation and user manual	14.1 Perpetual license for full use of the device and its functions for scientific, research and development, and commercial purposes	Confirm
		14.2 Complete documentation for the device in Polish and/or English, including the user manual in Polish, full electrical, optical, mechanical diagrams and user manual for the software supplied with the device	Confirm
		14.3 Documentation must be provided in printed form (on paper adapted for clean-room laboratories) and in digital form. Digital files should be provided on a solid-state data carrier (e.g. pendrive or external SSD).	
15.	Accessories	15.1 A scrubber is supplied with the unit to neutralize corrosive and toxic fumes generated during mineralization, oxidizing or similar processes.	Confirm

STANDARD FORM FOR THE EUROPEAN SINGLE PROCUREMENT DOCUMENT (ESPD)**Part 1: Information concerning the procurement procedure and the contracting authority or contracting entity**

For procurement procedures in which a call for competition has been published in the Official Journal of the European Union (OJEU), the information required under Part 1 will be automatically retrieved, provided that the electronic ESPD¹ service is used to generate and fill in the ESPD. Reference of the relevant notice², published in the Official Journal of the European Union:

OJEU S number[], date [], page[],

Notice number in the Official Journal(OJ) S: [][][][]/S [][][]-[][][][][][]

If there is no call for competition in OJ, the contracting authority or contracting entity must fill in the information allowing the procurement procedure to be unequivocally identified.

In case the publication of a notice in the Official Journal of the European Union is not required, please give other information allowing the procurement procedure to be unequivocally identified (e.g reference of a publication at a national level): [.....]

INFORMATION ABOUT THE PUBLIC PROCUREMENT PROCEDURE

The information required under Part I will be automatically retrieved, provided that the above-mentioned electronic ESPD-service is used to generate and fill in the ESPD. If not, this information must be filled in by the contractor.

Identity of the Contracting Entity³	Answer:
Name:	Łukasiewicz Research Network – Institute of Microelectronics and Photonics 02-668 Warsaw, 32/46 Lotników Av.
Which procurement is concerned?	Answer:

 - b) perform commissioning of the Subject of the Contract that has been realised with all due diligence by the Contractor;
 - c) pay the due amount of fee to the Contractor, at the dates and on the terms and conditions specified herein.
6. The Contractor declares that they are aware that timely performance of the Agreement is of priority importance due to the exceptional nature of the Agreement and the use of European funds for its implementation, as well as the key significance of the Agreement for the execution of innovative and technologically advanced research projects, which may impact the development of the national economy and enhance its competitiveness. In connection with the provisions of this paragraph, the Contracting Authority may monitor the progress of the performance of the subject of the Agreement and request the Contractor to present a work schedule. Failure to provide such a schedule or failure to respond regarding the status of performance of the subject of the Agreement may constitute grounds for termination of the Agreement due to reasons attributable to the Contractor, following a prior unsuccessful request to provide relevant explanations regarding the progress of work within a period of no less than three working days.
7. The Contractor shall realise the Subject of the Contract with all due diligence and in compliance with the requirements and rules specified herein.
8. The Contractor shall ensure that the persons who participate in the realisation of the Subject of the Contract have the relevant qualifications and that the number of these persons is sufficient to perform the scope of deliveries specified herein.
9. The Contractor shall be responsible for the actions and omissions of subcontractors and other persons who will participate in the realisation of the Subject of the Contract as for its own.
10. In return for the remuneration, the Contractor shall perform all actions necessary to start and launch the Subject of the Contract in compliance with all the terms and conditions provided herein.
11. The computer equipment and other items delivered by the Contractor under the Agreement must be brand new, complete, technically functional, free from any physical or legal defects, manufactured no earlier than in 2024, in accordance with the required standards and norms, and meet the technical and quality parameters specified in the Description of the Subject of the Contract. All items covered by the Agreement must be delivered in original factory packaging, the storage of which by the Contracting Authority is not required to maintain the warranty.
12. The Contractor undertakes that no products delivered or used by the Contractor under the Agreement will contain mechanisms enabling the automatic transfer of any data outside the Contracting Authority's IT infrastructure without its consent, and that such products will be free from harmful software, including but not limited to viruses, worms, trojans, or spyware.

13. The Contractor declares that the operating system licenses covered by this Agreement originate from legal sources, have not been activated on any other device, and will be delivered to the Contracting Authority with all components necessary to confirm the legality of their origin (e.g., original medium, certificate of authenticity, activation key with activation instructions, etc.). The Contracting Authority is entitled to verify the authenticity of the delivered licenses with the operating system manufacturer as part of the acceptance of the subject of the Agreement.
14. As part of the contractual remuneration, the Contractor undertakes to properly package and load the subject of the Agreement and secure it for transport to ensure it is delivered to the Contracting Authority in proper condition. The Contractor shall be liable for any damages occurring prior to the delivery of the subject of the Agreement to the Contracting Authority.

§ 5 Commissioning of the Subject of the Contract

1. Acceptance of Devices is a two-stage process.
Stage I consists of performing tests at the factory

Stage II consists of performing tests after installing the device in the Ordering Party's laboratory

Stage I – factory tests

As part of the acceptance test, before the device is shipped from the production site, the correct operation of all systems and components of the device will be checked by conducting tests in accordance with the manufacturer's standards

Materials for testing must be provided by the device manufacturer.

Stage II (after installation of the devices):

As part of the acceptance test, the correct operation of all systems and device components will be verified by conducting verification tests according to the manufacturer's standards and the following tests:

- oxidation uniformity test on the entire 6-inch substrate using test samples of the standard epitaxial structure of the VCSEL laser on GaAs - acceptable spread of +-5% - repeatability test (~5 consecutive, identical tests) of oxidation on the entire 6-inch substrate using test samples of the standard epitaxial structure of the VCSEL laser on GaAs
- acceptable spread of +-5%

Materials for testing will be provided by the Ordering Party

2. Confirmation of acceptance of the subject of the Agreement shall take place by signing an acceptance protocol in written form by representatives of both the Contracting Authority and the Contractor.
3. The Contracting Authority has the right to refuse to sign the acceptance protocol if it turns out that the subject of the Agreement is defective or in any way non-compliant with the Agreement. Refusal to sign the protocol for the aforementioned reasons shall be deemed as a failure by the Contractor to perform the Agreement on time for reasons attributable to the Contractor and shall entitle the Contracting Authority to impose contractual penalties and to withdraw from the Agreement due to reasons attributable to the Contractor.
4. Delivery shall be made at the Contractor's cost and risk. The Contractor shall be liable for any damage caused during transport to the Contracting Authority's premises.
5. The date of performance of the subject of the Agreement by the Contractor shall be the date on which the subject of the Agreement is delivered to the Contracting Authority's premises, tested, and accepted by means of an Acceptance Protocol.

§ 6 Contractual penalties and the right to withdraw from the Agreement

1. In the event of a delay in the performance of the subject of the Agreement due to reasons attributable to the Contractor, the Contracting Authority may impose a contractual penalty on the Contractor in the amount of 0.05% of the value of the subject of the Agreement for each business day of delay (business days being Monday through Friday), up to a maximum of 10% of its value. The Contractor shall pay the calculated penalty to the Contracting Authority.
2. In the event of untimely repair or replacement of the equipment, the Contracting Authority may impose a contractual penalty in the amount of 0.05% of the value of the subject of the Agreement for each day of delay, up to a maximum of 10% of its value. The Contractor shall pay the calculated penalty to the Contracting Authority.
3. In the event of termination of the Agreement by the Contractor for reasons attributable to the Contractor, or withdrawal from the Agreement by the Contracting Authority for reasons attributable to the Contractor, the Contracting Authority may impose a contractual penalty on the Contractor in the amount of 10% of the value of the subject of the Agreement. The Contractor shall pay the calculated penalty to the Contracting Authority.
4. In the event of termination of the Agreement by the Contracting Authority for reasons beyond its control but attributable to the Contractor, the Contracting Authority may impose a contractual penalty on the Contractor in the amount of 10% of the value of the subject of the Agreement. The Contractor shall pay the calculated penalty to the Contracting Authority.
5. The Contracting Authority may deduct the amount of the contractual penalty from the remuneration due to the Contractor. The Contracting Authority is entitled to satisfy the penalty from the performance bond referred to in § 2.
6. The Contracting Authority is entitled to claim damages exceeding the amount of the contractual penalty.
7. Contractual penalties shall be payable within 7 days from the date the Contractor receives a demand for payment.
8. The imposition of contractual penalties by the Contracting Authority does not release the Contractor from the obligation to duly perform the Agreement.
9. The total amount of contractual penalties must not exceed 10% of the gross remuneration amount specified in § 2 item 1.

§ 7 Withdrawal from the Agreement

1. The Contracting Authority shall have the right to withdraw from the Agreement in cases directly resulting from the provisions on public procurement and in the event of occurrence of any of the following events, within no later than 30 days from the date of becoming aware of:
 - a) the issuance of an order for seizure of the Contractor's assets;
 - b) cessation or suspension of the Contractor's business activity;
 - c) the Contracting Authority's finding of a legal defect in the subject of the Agreement or its part;
 - d) failure to perform the subject of the Agreement exceeding 7 calendar days beyond the deadlines for performance of the Agreement;

e) failure to perform the material scope of the subject of the Agreement despite the Contracting Authority's written reservations, i.e., failure to perform or improper performance of the obligations arising from the Agreement, thereby breaching its provisions;

f) the Contractor's failure to deliver the equipment within the deadline specified in § 4 section 3 of the Agreement;

g) in case of change in the date of performance of the subject of the Agreement, failure by the Contractor to submit within 3 business days from the date of the Contracting Authority's request, a document confirming the extension of the bank guarantee for the new period of the Agreement's validity.

2. Withdrawal from the Agreement shall not release the Contractor from the obligation to pay the Contracting Authority the applicable contractual penalties and damages specified in the Agreement.
3. A declaration of termination of the Agreement requires a written form under penalty of nullity.
4. Withdrawal from the Agreement for reasons listed in § 7 section 1 shall not give rise to any liability for damages by the Contracting Authority towards the Contractor.
5. Regardless of the foregoing, the Contracting Authority shall have the right to withdraw from the Agreement in cases specified in the Civil Code.

§ 8 Guarantee and warranty

1. The Contractor shall issue guarantee documents.
2. The Contractor guarantees the proper functioning and technical quality of the delivered Subject of the Contract for a period of: ... (guarantee period from the bid) from the date of signing the acceptance protocol without reservations.
3. Under the guarantee, the Contractor shall cover the costs of repair or replacement of the defective goods and the costs of transport.
4. During the guarantee period, the Contractor is obliged to perform the repairs or replace the product not later than within 16 weeks from the date of written notification about the defects.
5. The guarantee shall be prolonged by the duration of repair of the Subject of the Contract.
6. The replaced or repaired elements shall be subject to guarantee by the Contractor or Manufacturer.
7. Service intervention ensured within a maximum of 10 days from notification about the failure.
8. After the expiry of the guarantee period, the Contractor guarantees technical support response within 10 days after notification about the defects.
9. During the guarantee period, the costs of all repairs and services (including travel costs to the Contracting Authority) shall be borne by the Contractor.
10. Regardless of the provisions concerning guarantee, the Contracting Authority is entitled to claims under statutory liability for defects (rękojmia). The Contractor shall be liable to the Contracting Authority for any physical and legal defects of the subject of the Agreement within the meaning of

Article 556 of the Act of 23 April 1964, Civil Code (consolidated text Journal of Laws 2023, item 1610, as amended).

11. A physical defect shall be understood in particular as any non-compliance of any of the delivered elements with the description of the subject of the contract.
12. 12. The Contracting Authority may exercise claims under statutory liability for physical and legal defects of the equipment independently of the guarantee for a period of 2 years from the date of acceptance.
13. The Contracting Authority shall notify the Contractor in writing of defects in the subject of the Agreement immediately after their detection. Acceptance of the subject of the Agreement shall not release the Contractor from liability under statutory defect liability, even if at the time of delivery or acceptance the Contracting Authority knew or could easily have discovered the defect. The Contracting Authority is not obliged to inspect the subject of the contract, and the Parties exclude the application of Article 563 § 1 and 2 of the Civil Code.
14. The Contractor shall also be liable to the Contracting Authority for any third-party claims arising from infringement of intellectual or industrial property rights, including copyrights, patents, trademark protection rights, and rights from registration of utility models and industrial designs related to placing the equipment on the market in the territory of the Republic of Poland.
15. The Contractor shall, at its own expense, undertake legal actions related to any third-party claims for cessation of infringement of copyrights or industrial property rights concerning the equipment resulting from placing the equipment on the market in the territory of the Republic of Poland.
16. In case a court finds that the Contracting Authority infringes third-party rights due to unauthorized placing of the equipment on the market in the territory of the Republic of Poland by the Contractor, the Contractor shall, upon the Contracting Authority's request, indemnify the Contracting Authority from all related claims, including reimbursement of any compensation, contractual penalties, fines, purchase costs, and other similar payments, including court fees and costs incurred.
17. In the event of the Contractor's delay in performing obligations arising from guarantee or statutory defect liability, the Contracting Authority shall be entitled — without additional notice — to commission the removal of defects by a third party at the Contractor's cost and risk, to which the Contractor expressly consents.

§ 9 Force majeure

1. The Parties shall not be held liable for the breach of contractual obligations if the sole cause of such breach is the occurrence of force majeure
2. "Force majeure" shall mean an event or a combination of events or circumstances beyond the control of the Parties that substantially hinder or make it impossible to perform a Party's obligations under the Agreement, and which the affected Party could not have foreseen, prevented, or overcome with due diligence. In particular, force majeure shall include natural disasters (including fire, flood, earthquake, hurricane), enactment of binding government acts under penalty of sanctions (including martial law, state of emergency), acts of war, sabotage, nationwide strikes (excluding strikes affecting the Parties themselves), or other civil unrest including public demonstrations, and pandemic or epidemic threats or officially declared epidemics by state authorities.

3. In the event of force majeure, the affected Party shall:
 - a) promptly, and no later than within 7 days, notify the other Party in writing of the occurrence of force majeure, indicating the expected duration of the obstacle to the performance of obligations under the Agreement due to the force majeure event;
 - b) demonstrate the impact of the force majeure event on the proper performance of the Agreement, including compliance with the agreed deadlines.
4. Due to the occurrence of force majeure, the Agreement may be amended by mutual consent of the Parties with regard to:
 - a) the performance deadline and its extension for the duration of the force majeure event;
 - b) the temporary suspension of the performance of the Agreement or a part thereof;
 - c) changes to the manner of performance or the scope of mutual obligations.
5. If the force majeure event lasts longer than 3 months, the Parties may terminate the Agreement by mutual consent, without imposing any further obligations on either Party, except for payments due for services rendered.
6. If a Party fails to notify the other Party of the occurrence of force majeure, the period of suspension of its obligations, and the date of resumption of their performance within the time frame specified in point 3, it shall be liable for any damages incurred by the other Party.

§ 10 Modifications of the Agreement

1. The Contracting Authority foresees the possibility to introduce changes to the provisions of the concluded Agreement to diverge from the content of the bid that was the basis for selecting the Contractor in cases that result directly from the provisions in public procurement and in the event of circumstances listed below, taking into account the conditions for introducing such changes.
2. Any modifications to this Agreement require written form, otherwise they shall be considered null and void.
3. The provisions of the Agreement may be subject to changes with respect to the content of the Bid of the Contractor in cases foreseen in the PPL Act and in the following situations:
 - a. amendments to legal regulations, published in the Official Journal of the European Union, the Journal of Laws, the Official Gazette of the Republic of Poland or in the Official Journal of the relevant Minister;
 - b. changes to the time of realisation of the Contract in cases of force majeure;
 - c. changes to the binding VAT rate; if the changed VAT rate will lead to increasing costs of the realisation of the Agreement on part of the Contractor, the Contracting Authority accepts the possibility to increase the fee by the amount equal to the difference in the tax amounts paid by the Contractor.
4. The deadline for performance of the subject of the Contract may be amended at the request of the Contracting Authority in the following cases:
 - a) if the deadlines for the completion of the Investment are amended due to the implementation of or changes to the agreement under which the Contracting Authority obtains funding from the National Recovery and Resilience Plan – the deadline for

- performance of the subject of the Contract may be amended by the period resulting from the extension approved by the financing institution regarding the deadline for the completion of the Investment;
- b) if the deadlines for the execution of the Construction Works are amended due to circumstances beyond the control of either the Contracting Authority or the Contractor – the deadline for performance of the subject of the Contract may be extended by the period during which performance was impossible due to such circumstances and their consequences;
 - c) in the event of an extension of the construction works resulting from the reporting and rectification of defects, faults, or deficiencies – in accordance with the actual period of defect notification, during which the Engineer's supervision shall be maintained – the deadline for performance of the subject of the Contract may be extended by the period resulting from the consequences of such events;
 - d) in the event that the Construction Works must be suspended by the Contracting Authority or other participants in the investment process – the deadline for performance of the subject of the Contract may be extended by the period during which the works were suspended and by the time necessary to eliminate the effects and consequences of the event causing the suspension;
 - e) in the event of force majeure, i.e., extraordinary and unforeseeable circumstances preventing the performance of the subject of the Contract, beyond the control of the Party invoking them and the consequences of which could not have been avoided even with the exercise of due diligence – the deadline for performance of the subject of the Contract may be extended by the duration of the force majeure event and the time necessary to eliminate its effects and consequences.

§ 11 Settlement of disputes

Any disputes that arise from this Agreement and cannot be settled amicably shall be settled by the Common Court of local jurisdiction for the seat of the Contracting Authority. This Agreement shall be governed by Polish law. This Agreement is subject to the jurisdiction of Polish courts.

§ 12 Licence

1. The Contractor grants the Contracting Authority in return for the fee a non-exclusive licence, unlimited in terms of time and territory, subject to all provisions of the Bid Form, to use all elements of the documentation and software constituting works as defined in the Act on Copyright and Related Rights, delivered as part of the Contract, with the right to grant sub-licences within the scope of activities of the Contracting Authority and in the following fields of exploitation:
 - 1) using the provided documentation to operate the equipment;
 - 2) entering and recording the documentation in computer memory or on other electronic carriers, both stationary and mobile;
 - 3) reproducing the documentation on any carriers for the purposes of operating the equipment;
 - 4) replacing the carriers on which the documentation is recorded and transferring the documentation to the memory of computers and computer network servers.
2. The above licence shall also apply to any changes and updates introduced to the documentation by the Contractor during the period of guarantee.

3. Whenever software is referred to in the Agreement, it is deemed that the Contractor grants a non-exclusive licence, unlimited in terms of time and territory, for this software or application in return for the remuneration, in all fields of exploitation specified in Art. 74, item 4 of the Act on Copyright and Related Rights.
4. Together with the intellectual property rights, the Contracting Authority shall be granted a permission to exercise the dependent rights to the software in question together with the right to permit the exercise of dependent rights by third parties.

The Contractor transfers the ownership title to the carriers on which the documentation and software have been recorded to the Contracting Authority.

§ 13. Personal data

1. The Contracting Authority shall fulfil, on behalf of the Contractor, the information obligation concerning personal data processing towards its designated contact persons for the realisation of the Agreement, within 14 days from the conclusion hereof.
2. The Contractor shall fulfil, on behalf of the Contracting Authority, the information obligation concerning personal data processing towards its designated contact persons for the realisation of the Agreement, within 14 days from the conclusion hereof.
3. The information obligation results from the provisions of Art. 14 of the Regulation of the European Parliament and the Council (EU) 2016/679 of the 27.04.2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation).
