

TABELA NR 4: INWENTARYZACJA ZIELENI DROGI GMINNEJ NR 103568B  
UL. JASIONÓWKA KOLONIA

| Nr | Gatunek drzewa | Średnica pnia [cm] | Obwód pnia [cm] | Powierzchnia zagajnika [m <sup>2</sup> ] | Powód wycinki   |
|----|----------------|--------------------|-----------------|--|---|
| 1  | Tuja           | 20                 | 63              |  | drzewo koliduje z projektowaną nawierzchnią jezdni oraz infrastrukturą techniczną |
| 2  | Tuja           | 20                 | 63              |  |   |
| 3  | Tuja           | 20                 | 63              |  |   |
| 4  | Tuja           | 20                 | 63              |  |   |
| 5  | Tuja           | 20                 | 63              |  |   |
| 6  | Karcz          | 57                 | 179             |  |   |
| 7  | Grusza         | 50                 | 157             |  |   |
| 8  | Mirabelka      | 15                 | 47              |  |   |
| 9  | Mirabelka      | 15                 | 47              |  |   |
| 10 | Mirabelka      | 15                 | 47              |  |   |
| 11 | Mirabelka      | 15                 | 47              |  |   |
| 12 | Olcha czarna   | 10                 | 31              |  |   |
| 13 | Olcha czarna   | 10                 | 31              |  |   |
| 14 | Olcha czarna   | 10                 | 31              |  |   |
| 15 | Olcha czarna   | 10                 | 31              |  |   |
| 16 | Olcha czarna   | 10                 | 31              |  |   |
| 17 | Olcha czarna   | 10                 | 31              |  |   |
| 18 | Leczczyzna     | 10                 | 31              |  |   |
| 19 | Leczczyzna     | 10                 | 31              |  |   |
| 20 | Leczczyzna     | 10                 | 31              |  |   |
| 21 | Leczczyzna     | 10                 | 31              |  |   |
| 22 | Czarny Bez     | 15                 | 47              |  |   |
| 23 | Czarny Bez     | 15                 | 47              |  |   |
| 24 | Czarny Bez     | 15                 | 47              |  |   |
| 25 | Czarny Bez     | 15                 | 47              |  |   |
| 26 | Czarny Bez     | 15                 | 47              |  |   |
| 27 | Czarny Bez     | 15                 | 47              |  |   |
| 28 | Czarny Bez     | 15                 | 47              |  |   |
| 29 | Czarny Bez     | 15                 | 47              |  |   |
| 30 | Czarny Bez     | 15                 | 47              |  |   |
| 31 | Czarny Bez     | 15                 | 47              |  |   |
| 32 | Czarny Bez     | 15                 | 47              |  |   |
| 33 | Zagajnik       | -                  | -               | 9  |   |
| 34 | Karcz          | 35                 | 110             |  |   |
| 35 | Zagajnik       | -                  | -               | 6  |   |
| 36 | Klon           | 25                 | 79              |  |   |
| 37 | Jesion         | 10                 | 31              |  |   |
| 38 | Jesion         | 10                 | 31              |  |   |
| 39 | Jesion         | 10                 | 31              |  |   |
