

Bydgoszcz, day 21.03.2025

INQUIRY No. 130006284

Dear Receiver,
we would like to invite you to submit your best offer for the items listed below.

I. Roto-molding mold for 420 kV AC/320 kV DC coffinboxes

The offer should include following items as per following specifications:

1. Mold for roto-molding manufacturing of coffinboxes according to specifications included in the attached drawings. (Technological changes may be applied after consultation)

Drawings available on the website:

(<https://tfbox.tfkable.com/index.php/s/iMTaZ3TZVhOxDXy>)

Password to be sent upon email request to blazej.glowacki@tfkable.com

2. Mold made of steel, formed sheet metal.

3. Production capabilities of minimum 15 pieces per day.

4. Mold life expectancy of minimum 1000 pieces.

5. Supplier availability for production of Coffinboxes with the mold.

6. Final acceptance upon delivering prototype Coffinboxes.

The offer must include following data:

1. Technical specification,
2. Offer expiration data,
3. Net price,
4. Clause confirming ownership of the mould by *TELE-FONIKA Kable S.A.*
5. Payment terms
6. Warranty and Guaranty period.

II. Place and date of submission of the offer:

Offers have to be sent by 28th of March 2025.

The Ordering Party requires from the Tenderer, whose OFFER WILL BE SELECTED, to submit securities in the form bank or insurance guarantee (the guarantee should be irrevocable and unconditional and should be payment on the first written demand):

1. Advance payment guarantee (In the event of advance payment, the Tenderer is obliged to submit bank or insurance advance payment guarantee for all and full advance payments that were already paid in the ratio of 1:1, valid until the delivery of the Subject Matter of the Order)
2. Warranty for removing defects and faults in the form and with the content approved by the Contracting Entity.

A model of guarantee needs to be accepted by the Contracting Entity.

The Tenderer shall be obliged to have Civil Liability Insurance covering business activity for the insurance sum of not less than a minimum order value.

The Contractor, whose OFFER WILL BE SELECTED, will be obliged to provide the following documents before concluding the contract:

1. Power of attorney to conclude contracts on behalf of the contractor, unless it results from the registration documents;
2. A dedicated third-party liability insurance policy in the scope of business activity and the subject of the contract for the sum insured not less than the value of the order.

The above condition is considered to be fulfilled if the Contractor submits a certified copy of the insurance policy valid for the entire term of the contract.

III. Compliance with legal requirements, health and safety, depending on the specifics of the offer:

Compliance with legal and health and safety requirements depending on the specifics of the offer:

1. The Tenderer is obliged to meet / ensure all legal requirements that are related to the offered equipment or service.
2. The tenderer is obliged to fulfil the sanction clause attached to the request for proposal.
3. If meeting legal or health and safety requirements involves a higher bid amount, this must be specified.

IV. Information about the chosen offer:

Only the best offer from between the delivered offers will be chosen for negotiation. Purchaser will inform bidders in person and set time of negotiations.
